Health New Zealand Te Whatu Ora (Oncology) Join ClinTrial Refer

Health New Zealand Te Whatu Ora

ClinTrial Refer would like to extend a very warm welcome to Health New Zealand Te Whatu Ora (Oncology) for joining the rapidly growing ClinTrial Refer community!

The Health New Zealand Oncology ClinTrial Refer app allows both patients and clinicians to search for oncology trials open at Health New Zealand Hospitals. Details of the active and pending trials available by site location, with contact details for enquiries via email. Given the specialist nature of cancer, it is best for patients to discuss clinical trial options with their treating oncologist. Clinicians can use the

Health NZ Oncology Clinical Trial Refer app to help identify whether a potentially suitable trial option is available at a Health NZ public hospital.

Download the ClinTrial Refer App or visit the [website](#) to search for clinical trials today.

Welcome Premier Specialists to the ClinTrial Refer Community

We are excited to welcome and announce that Premier Specialists have joined the ClinTrial Refer community to communicate their Dermatology clinical trials.

Premier Specialists Dermatology Clinic and Clinical Trials Centre based in Kogarah, Sydney was established by Professor Dédée Murrell in 1997, inspired by her extensive experience at renowned institutions in the United States. Professor Murrell is now one of Australia's leading medical Dermatologists and clinical trials investigators. Her and her team are at the forefront of innovative dermatological therapies, offering the latest treatments through cutting-edge clinical trials. Premier Specialists has an excellent reputation for clinical trials and are currently conducting trials to treat Eczema, Psoriasis, Hidradenitis Suppurativa, Epidermolysis Bullosa, Chronic/Subacute Cutaneous Lupus Erythematosus, Prurigo Nodularis and Pyoderma Gangrenosum. Premier Specialists represents a clinic and research institute that combines expertise with compassion, making significant advancements in skin health.

Download the ClinTrial Refer App or visit the [ClinTrial Refer website](#) today to search for Dermatology clinical trials at Premier Specialists.

You can also contact the Premier Specialists trials team to book a free appointment to assess your eligibility.

Support Lymphoma Awareness & Vital Funds

Lymphoma Australia is one of ClinTrial Refer's valued supporters. September was Lymphoma Awareness Month which saw communities across Australia come together, at marathons, trivia nights, bake-offs, and lime-themed events. An impressive 113 landmarks lit up in lime, symbolising the strength of the lymphoma community.

An incredible \$97,798, was raised to provide essential resources and care for lymphoma patients and their families.

While September may have ended, the need to educate communities about lymphoma and support patients and their families continues. You can still support Lymphoma Australia by:

- Fundraising or Volunteering
- Sharing Your Personal Story
- Purchasing Merchandise
- Making a Donation
- Leaving a Gift in Your Will

For more information on how to get involved, visit: [Get Involved](#). To learn about creating a lasting legacy by helping to fund critical support services and leaving a gift in your will, visit: [Gift in Will](#).

Save Trials to Compare Your Options

Follow the instructions below to create a saved list of trials that you can refer back to when searching for studies that might be of interest. You can use this for self review or you can share

with your health care professional to discuss eligibility criteria and suitability in more detail.

How to save a trial:

When you find a trial or several trials that you are interested in you can save trials to review later by clicking on the 3-dots in the top right of the trial page and selecting 'Save for Later'

Saved trials can be found at the top of the app where you saved the trials.

They can also be found in the menu.

Long hold a trial or swipe to delete it from your saved trials.

Trial Spotlight

Trial Spotlight

On average 28 trials are listed in the ClinTrial Refer database every month

We aim to highlight some of these in our newsletter each month
